

With a joyful heart we welcome the New Year! We pray to the Lord who gives us all good gifts and talents that our service may be pleasing to Him and that we can benefit others as well as bring glory to God.

We are thankful to the Lord and give Him all the glory and honor when more and more brothers and sisters from various churches tell us that materials produced by Smyrna Resource Center (SRCI) are helpful to Sunday school, small groups, fellowship groups, and also personal spiritual growth. We rejoice that brothers and sisters are experiencing spiritual maturity, especially in this tumultuous and chaotic world. What is more effective than spiritual maturity to give us strength to do our work in a more composed, energetic, and efficient manner?

O Lord, we love You because You first loved us. Only when we are filled with Your love can we love You and others, and live for You in joy. Lord, please help us in this New Year to live a joyous life that will glorify Your name.

Dear brothers and sisters, please keep us in your prayers. We hope that "General Epistles" will be ready for distribution this spring. As such, we will have completed the entire series of Biblical teaching materials: Pentateuch, Old Testament History (Parts I and II), Psalms and Wisdom Books, Major and Minor Prophets, Matthew, John, Acts, Romans, Pauline Epistles, General Epistles, Revelation; all together 12 series on the Old and New Testaments. We hope to continue to produce lessons on other books such as Hebrews, I and II Corinthians, etc. We have also produced 8 series: Chinese Church History; Church History; Family Life; Basic Doctrine; How to read the Bible for All It's Worth; Systematic Theology (Part I) which includes Christology & Soteriology; and Systematic Theology (Part II) which is on Eschatology and Systematic Theology (Part III) which includes Ecclesiology and Doctrine of the Holy Spirit.

Please go online to access detailed information about our speakers and our teaching materials at www.smyrnasrci.net
